## COMPOUND TEAMS

Lilleshall NSC — Sunday 27th June 2004

## TEAM COMPOSITION AND ALLOCATION

Olympic round teams comprise **three archers**. Normally there would be four categories, but to deepen the match-play schedule at this event there were just **two divisions**: archers shooting recurve bows, and archers shooting compound bows. (Within each division, all archers competed together regardless of age or gender.)

So that everyone would be able to shoot in the team head-to-head element, we also extended the match schedule (rather than “cutting” to 16 teams, as should strictly be the case), with the highest-ranked teams receiving a bye through the resulting  $1/16$  Elimination round.

To create as level a playing field as possible for the competition — and to make the team matches closer and more exciting — the organizing

committee **allocated archers to teams** of roughly similar combined standard (based on their track record / anticipated 70m performance). This does mean, however, that no-shows, last-minute withdrawals and retirements pose a particular logistical challenge.

## LAST-MINUTE TEAM RE-ASSIGNMENTS

This year was no exception, sadly, as for various reasons compound teams C – Charlie, G – Golf, J – Juliet, N – November, P – Papa and Q – Quebec found themselves short of a team member or two. We reassigned the available archers as best we could, forming new teams W – Whisky, X – X-ray, Y – Yankee and Z – Zulu just in time for them to compete in the afternoon’s Olympic round team head-to-head.
